

5 Facts About 988

- 1** The **988 Suicide & Crisis Lifeline WORKS**.
The majority of callers' needs are resolved over the phone.

- 2** **988** services are distinct and separate from the emergency services operated 911. Calling **988** will connect you to a trained crisis counselor.

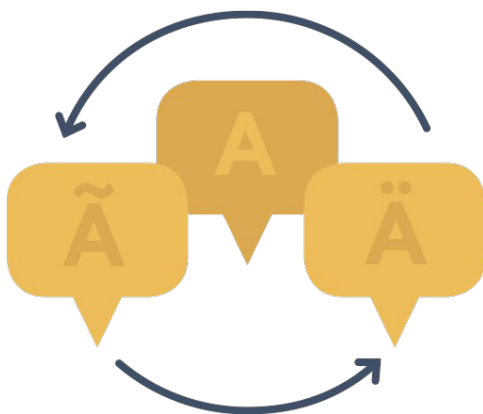

If you or a loved one is experiencing a mental health crisis:

Call, text or chat **988** today for 24/7 free, confidential support.

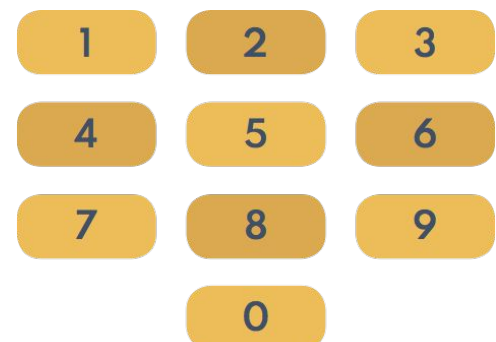

- 3** Lifeline call services are available in Spanish, along with interpretation services in over 150 languages.

- 5** The original 10-digit number for the Lifeline (1-800-273-8255) remains available. Calling **988** is simply easier to remember in a crisis.

- 4** Veterans and their families can call **988** and **press 1** to access the Veterans Crisis Line.
