

# U.S. BUSINESS ACTION TO **END HIV**

---

a Health Action Alliance initiative

## Company Commitments

U.S. Business Action to End HIV is a coalition of private sector organizations committed to filling gaps and accelerating progress to help end HIV in the U.S. by 2030.

PRESENTED BY

IN COLLABORATION WITH

POWERED BY

## Participating companies **commit** to one or more of the following:

**Leading on HIV** - Individual business leaders publicly share their corporate commitment to the coalition and extend a call-to-action through their platforms.

**Educating Workers and Ending HIV Stigma** - Educate employees about HIV and create psychologically safer workplaces, free of HIV stigma and discrimination.

**Strengthening HIV Services for Employees** - Review and bolster HIV health benefits and nondiscrimination policies for workers.

**Advocating for Policy and Systems Change** - Champion innovative public policies that accelerate access to HIV services, modernize HIV criminalization laws and strengthen public funding.

**Supporting Local Communities Most Affected by HIV** - Leverage unique expertise, infrastructure and capabilities to implement innovative strategies to strengthen delivery of HIV prevention and care in key markets in partnership with existing local HIV service providers.

**Providing Financial Support** - Provide funding to strengthen the coalition's public health response and operations.

COMPANY	DESCRIPTION	COALITION COMMITMENTS
